To Whom It May Concern,

I have had the privilege of working with Isaiah Patterson for two years at Illuminate Community Church, where he served as Technical Director and Media Director. Isaiah consistently demonstrated a high level of diligence and punctuality in all aspects of his role. Whether overseeing the technical direction of services, managing budgets, or leading a growing team of staff and volunteers, his work ethic and commitment to excellence were evident in everything he did. Isaiah is an innovative and creative leader, always coming up with fresh, effective solutions to improve the worship experience for both in-person and online attendees.

His ability to motivate and inspire those around him makes him an exceptional leader, fostering a collaborative and high-performance environment. Beyond his technical skills, Isaiah is a personable and consistent team member who builds strong relationships and creates a positive work culture. Above all, Isaiah's deep love for Jesus shines through in all his work, as he approaches every project with integrity, passion, and a servant-hearted attitude. I wholeheartedly recommend Isaiah for any position that values leadership, creativity, and a strong commitment to excellence.

Best regards,

Logan Young
